TO OUR VISITORS...

Thank you for visiting Bayside. We have been praying that the Lord would touch you in a special way in this service. In order to get the most out of your visit we recommend:

1. Take your children to our nursery or children's classes. Our children's ministry has care and classes from newborn to 6th grade that meet during this service. If you must keep an infant or toddler with you, please sit towards the back to minimize disruptions.

2. Take advantage of the sermon notes outline. This makes it easy for you to follow along with the speaker.

3. Please do not feel obligated to participate in the offering. This is intended for our regular attenders who consider Bayside their church home. As our guest we only ask that you sign the Weekly Prayer and Information Sheet so that we can pray for you.

4. After the service, visit the Information Center. Come and introduce yourself to Pastor Mike and stay for a cup of coffee.

"If you are looking for a church, I hope that you will consider coming to ours. We began our church in 2003 and since that time we've been a church where the elders and leaders take time to get to know people, and for them to get to know us. We value relationships. While we may not be the largest church in the Bay area, we have a genuine heart for God and a passion for living out our faith. We continue to see new people each week. As the pastor of Bayside I want our church to grow deep in Christ. I also want us to continue to offer ministries that meet needs, support missions and someday plant new churches. My vision is to be a church with strong Bible teaching, caring pastors and genuine relationships for people of all ages. For that reason we need you. If you are looking for a church where you are needed and want to grow in your faith, take time to say hi. I would love to not only be your pastor but also your friend."

- Pastor Mike
